

The children did some wonderful swimming last week with Jo. She was very impressed with how the children behaved and progressed in their swimming, so well done to all the children for putting in the effort and pushing themselves to improve.

We have started our normal classroom routines, and without the disruptions this week, we will be in the full swing of our learning. The Year 3 children are doing a great job at learning what happens in our class and how things are done. The older children have been fantastic at helping them and will support them whenever needed, which is so wonderful to see.

Well done to the children that won prizes at the A and P show. Mrs Gray spent two sessions with the children working hard on their artwork and what a fantastic result!

We had a wonderful Ash Wednesday service. Here are some of our Year 5's doing the Prayers of the Faithful.

Thank you to the parents that could come to our Parent Evening this week. If you were unable to make it, please don't hesitate to ask any questions if you have them.

Ngā mihi,
